

Cyber Smart Students

In grade 2, I will...

Have Fun in Safe Places

- ✓ Use the Fun Sites that have been provided by my Teacher.
- ✓ If I want to go to a new site, I will ask my Teacher for permission.
- ✓ If something “yucky” appears ~ I will turn off the screen and tell my Teacher.

Think Before I Write

- ✓ Be respectful online and write only polite comments.
- ✓ Never type my full name, address, and/or phone number online.

Connect Safely

- ✓ Never send hurtful messages online.
- ✓ Remember that websites have rules against sending hurtful messages to others.
